AIEF Sydney Experience

Ms Kelly ventured to Sydney with Gideon B, Jarvis M, Jafari B & Terrick L alongside Mr Alexander, to attend their Australian Indigenous Education Foundation Graduation. Gideon was selected to speak at the ceremony which also led him to feature in the Australian Newspaper. The boys represented TCC with pride and we are all extremely proud of them. They even got to do a little site seeing – once in a lifetime (cold & rainy) experience! They were happy to get back to QLD.
