

Boarding Matters

Week 2 | Term 1

Welcome Back to 2025!

To all our current and new boarding families we look forward to a wonderful year with you all! To all new families joining us this year, welcome to our Boarding Matters Newsletter. This publication is sent out fortnightly sharing important notices and events happening at Boarding during the term.

All your Reach logins should be up and running, please let us know if you are still having issues.

Important Notices

Laundry & Baskets – we have had a high volume of clothing not labelled going through the laundry and into lost property. Please ensure all items are labelled clearly so we get all items back to the correct boarder.

We ask that all laundry baskets are the oval plastic ones (not fabric, tall or round) as they are the only ones that fit our laundry shelving. These can be purchased from Reject Shop & Woolworths for \$3.00-\$5.00 ea. Please see example -

Approved Activity Forms – thankyou to all parents/carers that have sent through this form already, however we are still missing quite a few. It is important for us to have this information so we can contact the coach or allocated person to check if activities are still on with wet weather etc. This form is required to be filled out at the start of each year, they do not roll over and can be added to during the year as new sport & activities arise.
