2025 Representative School Sport

Congratulations to the huge number of TCC students who have been selected on the past month to represent Rockhampton District School Sport in their chosen sports. We wish you good luck in your progression to Capricornia and State Championships.

Calendars and information regarding dates and venues for RDS sporting trials for 2025 are currently available through the link on the TCC website.

Once we receive the calendar for 2026, this will also be posted on the webpage.

The Representative School Sport Permission Details Booklet (Consent Form) will again have all the required documentation that schools / district / regions need for your child to participate in trials. Please note that the form only needs to be filled in once per sport / trial. Completed forms will need to be handed in by your child at the first trial, and this will then be passed on by officials through the various levels of school sport.

Once the booklet is completed, please email it to sport@tccr.com.au and it will be returned to you after signatures are completed. We encourage you where possible to fill the form out electronically to assist with eligibility and accuracy of the documents. If you have any further queries or concerns please do not hesitate to contact the sports department.

Kind regards,

Mrs Trudy Landsberg
Director of Sport
