WEEK 5

YEAR 10 CAREERS MORNING – THANK YOU

On behalf of our Year 10 students, we would like to extend our heartfelt thanks to everyone who generously gave of their time to attend our Year 10 Careers Morning. Our students loved speaking with the diverse range of attendees to get a better understanding of career pathways that they may be considering.

Exam Attendance for Students Undertaking Certificate Courses

A reminder that exams must be sat as scheduled. Students may attend TAFE directly on completion of their exam (or vice-versa). Wearing of their TAFE clothing to school for the exam is acceptable (except for Year 12 external exams).

CQUni Late, Absentees or Early Departures Procedure.

- Parents/guardians are required to email absences to CQU at stn-attendance@cqu.edu.au, detailing the student's name, course, and reason for absence, as early as possible.
- For early departures, students must notify their CQU teacher at the start of class. A parent/guardian must sign them out at CQU administration before they can leave campus (similar to school procedures). Students cannot leave early without being signed out or having written permission.

Your cooperation in supporting the CQU absentee process is appreciated, as it allows us to actively support your students' progression in successfully completing their chosen STN course.

CQUni Start Uni Now (SUN)

Applications to commence in July 2025 are now open and are due by 23 June. Any student considering SUN needs to speak with Ms Belz.

STUDENT OPPORTUNITIES

White Card (Construction Industry Induction)

A term 3 course has been tentatively booked for Friday 05 September. An email will be sent to all students with a current expression of interest later this week. If you would like to be added to this list please email CareersStaff@tccr.com.au.

myfuture – Navigating your post-school plans with confidence webinar

School is such a big part of your life, you might have mixed feelings as you approach the end of it. You might be excited about your next steps. But it's okay if you're not sure about your post-school plans or feeling a bit anxious or overwhelmed about it all.

In this webinar, you'll hear about six simple ideas that will help you think about your future with confidence. Some of them might surprise you!

We'll talk about:

- Different kinds of post-school pathways.
- Why it's OK if you don't know what you want to do.
- Why it's OK to change your mind.
- Why ATAR might not be as important as you think.
- How to research your options.
- Who to talk to for help.

This webinar is designed for students in senior secondary school, but it's suitable for parents and teachers too. If you can't make it to the live webinar, register anyway, and we'll send you the recording to watch later.

JCU Year 10 Webinar – Unmasking the ATAR System Webinar

Join us on **Thursday 29 May** as we Unmask the ATAR System and provide you with up-to-date information regarding the university entry process.

Hosted by JCU and QTAC, this one-hour interactive webinar will provide you with a greater understanding of:

- The role of the Queensland Tertiary Admissions Centre (QTAC) in calculating and awarding students Australian Tertiary Admissions Rank (ATAR) and making uni offers.
- How different subjects are graded, which subjects cannot be studied together and how subject scaling can assist in the ATAR calculation process.
- The importance of subject selection going into Year 11 such as prerequisites for certain university courses.
- How students can access their ATAR, and what a QTAC application looks like.

JCU Future Student Advisors will also be available throughout the webinar to answer any questions you may have.

School staff, students and their families are all invited to attend, and are encouraged to send through any questions they may have during the live webinar.

Using Job Sites and Services

For students who will be leaving school this year and looking for employment (including apprenticeships and traineeships) NOW is the time to be preparing. Students should register:

- with organisations of interest to receive job alerts via the company website
- on employment advertising platforms
- with Apprentice Connect Providers
- with Group Training Organisations

Listings and links can be found on the student intranet Career Pathways page.

WORK EXPERIENCE

Please return work experience forms to the Careers Office by Week 7 of each term. Returning them after this time may result in processing delays, and we cannot guarantee timely completion. All documentation is available via the student intranet. Year 10 students have 3 designated days in week 10 (25-27 June). All year 10-12 students may undertake work experience over the June/July holidays.

Defence Work Experience Program

The Defence Work Experience Program (DWEP) is a national Youth Program that provides individuals with an interest in a Defence career, the opportunity to gain exposure to a range of roles available. If you are interested in a career with the ADF, please check out the [DWEP website](#). Applications must also be lodged on the DWEP website.
