WEEK 1

Semester 2 ACER Testing

Years 7-10 students will participate in PAT testing in Week 2 as per the schedule below. PAT data is very valuable to teachers in identifying students' strengths and areas of improvement in Maths and Reading. It is important all students do their best to give accurate data. This round of testing can also provide insight into students' growth in Maths and Reading for the academic year.

Test results will be reported to families on the Semester 2 report card.

Year 10	Monday 13 October Lesson 1 – PAT Maths Lesson 2 – PAT Reading	Year 7	Tuesday 14 October Lesson 1 – PAT Maths Lesson 2 – PAT Reading
Year 9	Monday 13 October Lesson 3 – PAT Maths Lesson 4 – PAT Reading	Year 8	Tuesday 14 October Lesson 3 – PAT Maths Lesson 4 – PAT Reading

In other lessons on these days, learning will occur as per students' regular timetables.

Students will need to bring:

- calculator
- laptop
- pencil case to their allocated test venue.
