

CURRICULUM news

WEEK 7

YEAR 12 ASSESSMENT

The schedule for the remainder of internal assessment for 2025 is now available. Note the mock examination timetable (Week 9 & 10, Term 3) will be published once the official QCAA timetable is available, so the College can offer a similar scheduling experience to best prepare students for their external examinations in Term 4.

Students should be busy revising for upcoming exams and working towards drafting and revising assignment work to meet final submission deadlines.

A reminder that Monday 31 March, Tuesday 1 April and Wednesday 2 April are exam block days. Students should be in attendance if they have a scheduled exam. If not, they can be working at home on exam revision and assignments. Thursday 3 April is a normal school day and Friday 4 April will be Year 12 students' final Cross Country event.
