

Boarding Matters

Week 9 | Term 3

Friendly Reminder – Travel Bookings

When booking flights or Greyhound tickets, please ensure a copy is sent to the Boarding Admin. This helps us verify all departure and arrival times to avoid any confusion.

Please Note: Greyhound has recently updated their schedules, and some services now have separate departure times. To ensure students arrive on time and don't miss their travel, it's important we have the most accurate information.

Thank you for your attention to this—your support makes a big difference!

End of Term Notices

Just a friendly reminder to all students, parents & careers it's a full room pack up this term. There will be limited space at the boarding houses for the storage of laundry baskets, nonperishable items etc.

All items must be clearly labelled

We ask that items are checked over the holiday period, that names are clearly written and added to new items. This significantly reduces the lost property that we try to return to your sons & daughters each week.

Banned Items – we ask that the following items are not brought into Boarding. If found, these items will be confiscated. Please check with your sons/daughters when packing that they do not include these items.
