Cathedral College Rockhampton Open Girls Rugby League Team Shines in Queensland Schoolgirls Grand Final

We extend our heartfelt congratulations to the Cathedral College Rockhampton Open Girls Rugby League team, who showcased remarkable talent and determination in the Queensland Schoolgirls Rugby League Grand Final last week. The girls delivered an exceptional performance, demonstrating their dedication and skill throughout the intense match against Ipswich State High School.

The journey to the Grand Final was a testament to the team's resilience and strategic prowess. After a notable victory over St Pat's Mackay in the Queensland Northern Final, the TCC girls turned the tide in an impressive display of sportsmanship and strength. This victory was particularly significant as it avenged their previous defeat to St Pat's in the Confraternity Final, underscoring the team's growth and tenacity.

In the Grand Final, our girls faced a formidable Ipswich State High School team. Despite the spirited and courageous effort exhibited on the field, the match did not end in our favour. The competition was fierce, and while the result was not what we had hoped for, the performance of the TCC girls was nothing short of inspiring.

Our team's journey to the state final highlights not only their athletic ability but also their dedication, teamwork, and sportsmanship. Each player contributed to the success of the season, and their hard work has made us all incredibly proud. Their journey has been a source of great pride for Cathedral College Rockhampton, and their efforts have set a shining example for future teams.

We congratulate the Open Girls Rugby League team on their outstanding achievement and commend them for their unwavering spirit. We look forward to supporting them and celebrating their future successes. Well done, girls!
