Feast of St Joseph

Tuesday marked a significant day for our TCC community, the Feast day for the patron saint of our diocese St Joseph. The gospel reading for the day explained simply how a man was given a challenge to follow God even though this choice would inevitably mean hardship and judgement by many. Joseph was just a man who had to make a choice. The strength of character, conviction and dedication shown by Joseph to Mary and the soon to be born Jesus, is somewhat of an almost tangible reminder of what calls us to be in our everyday vocation as parents, family members and educators of young people. The image below created by Miss Alyssa Day sums up the optic of St Joseph “the father” in a simple but powerful way.

We pray that we can also have the strength shown by St Joseph to follow God in which ever way He calls us.
