Opportunities

YEAR 10 CAREER EXPLORATION MORNING

On 16 May 2024, TCC will be hosting a Career Exploration morning for our Year 10 cohort. Parents, friends, or family members who wish to share their career journey are encouraged to get in touch with the Careers Office.

WORK EXPERIENCE

Information in relation to work experience in 2024 has been emailed to Year 10, 11 and 12 parents. All work experience forms, and information are available via the student intranet. All work experience forms for Easter holidays will need to be returned to the Careers Office by Term 1, Week 7.

Students may also wish to undertake virtual work experience or a short course with Grandshake.

White Card Course

Students who are interested in obtaining a white card are to contact the Careers Office.

Defence Work Experience Program

The Defence Work Experience Program (DWEP) is a national Youth Program that provides young Australians with an interest in a Defence career, the opportunity to gain exposure to a range of job roles available within Defence and the Australian Public Service. If you are interested in a career with the ADF, please check out the [DWEP website](#). This website is updated regularly with new work experience programs across Queensland.

Applications must also be lodged on the DWEP website.

Any questions regarding the work experience programs within South QLD can be forwarded to the South QLD Work Experience Program email address sqld.workexperience@defence.gov.au.

TAFE ENROLMENTS

There are still limited places in some TAFE courses. Contact the Careers Office if you would like further information. Applications for February intake close 12 February 2024.

SCHOOL BASED TRAINEESHIPS + APPRENTICESHIPS

School Based Traineeship – Logistics/Supply at QLD Health

We have a School-based Traineeship opportunity for any Year 11 student who would like to look at entering the workforce in logistics - in this case related to the health industry - and is a QLD Health Position. Note: the location of the position is in the Parkhurst area. Position is scheduled to start February/March this year. Please see the Career Office for more information.

School Based Traineeship – Supply Chain Operations at Reece

Reece Rockhampton are currently advertising for their next trainee. This position is open to current Year 11 students to complete the Certificate II in Supply Chain Operations. Key points to note:

- Certificate II in Supply Chain Operations (TLI20421)
- 18-24 month program
- Working one day per week along with the Saturday morning
- Combination of Warehousing and Retail skills
- The ideal candidate needs to be outgoing, respectful, willing to work in a team environment
- The student must be willing to shine in customer service
- Commitment to complete year 12 is a must

See Careers Office for further information.

SCHOOL LEAVERS 2024 APPRENTICESHIP APPLICATIONS + EMPLOYMENT OPPORTUNITIES

School leavers are reminded that Mrs McKenzie is available to provide you with support in relation to future employment or training opportunities. Please contact her if you require any assistance.

2024 Girl Power WebEx Session – Energy Queensland

Ergon Energy Network and Energex is holding a 2024 Girl Power WebEx Session. The Girl Power Program is designed for girls currently completing Grade 10 to 12 and would include:

- Attendance at a WebEx Information session
- Information on the trades/apprenticeships on offer with EQL
- Opportunity to hear from our Female Apprentices and Tradespeople
- Overview of our recruitment process
- Opportunity to complete practice aptitude testing and apply for Work Experience if interested in progressing with the 2025 Apprentice Recruitment. Preference would be given to Year 12 students in Terms 1 and 2.

The TCC Careers Office will be screening the Webinar on Thursday 29 February from 1.00pm to 2.00pm. Let us know if you would like to attend. A recorded session can be sourced if you are unable to attend.

Further information on the program can be found at: <https://youtu.be/wog2Tgom7Fs>.

American Summers – Gap Year with IENA

Opportunity to start applying for 2025 Gap Year program, working in American Summer Camps. Information can be obtained from the [website](#).

STUDENT OPPORTUNITIES

Queensland Minerals and Energy Academy (QMEA) will be running a QMEA Year 10 Girls in STEM Day in Term 2. This would be beneficial for students studying Science (focus on Physics and Chemistry), Mathematical Methods/Specialist, IT, and Business, plus, those who are interested in the resource sector and learning more about opportunities. Watch out for details later this term.
