**WEEK 5**

We are now halfway through very busy Term 1 for TCC Sports. We currently have students representing TCC in a number of different sports including Boy's Rugby Union, Girl's Rugby 7's, T20 Cricket, Boy's Futsal, Girl's Basketball, Boy's and Girl's Waterpolo and Equestrian events. Please be reminded that if students choose to make themselves available to play sport for TCC, they must be fully committed, which includes attending any training and games and listening to all instructions provided by coaches/managers. Game times will be advertised each week through the daily notices. Besides the daily notices, students will often be emailed important information regarding training and games, students need to ensure that they are constantly checking emails and reading the daily notices. Please remember to notify your coaches/managers, as a courtesy, if you are unable to make training or games or need any other information.

## **Student Medical Form**

The Student Medical Form, which can be accessed via this link on the TCC Website - <https://www.tccr.com.au/student-medical-form> needs to be completed once for every student intending on playing interschool sport for the College. Please complete and submit this form as soon as you can.

## **2024 Representative School Sport**

Term 1 is also an extremely busy time for representative sports. The representative school sport permission details booklet (consent form) will have all the required documentation that schools/district/regions need for students to participate in trials. Please note that the form only needs to be filled in once per sport/trial. Completed forms will need to be handed in by students at the first trial, and this will then be passed on by officials through the various levels of school sport.

Once the booklet is completed, please email it to [sport@tccr.com.au](mailto:sport@tccr.com.au) and it will be returned to the student after all signatures have been completed. We encourage you where possible to fill the form out electronically to assist with eligibility and accuracy of the documents. If you have any further queries or concerns please do not hesitate to contact the sports department.

The Representative School Sport Permission Details Booklet and also trial and nomination information for each sport can be accessed via this link <https://capsport.eq.edu.au/support-and-resources/forms-and-documents> and also through the sport's section on the College website.

Congratulations to the many students who have been successful in gaining selection in Rockhampton and District sides for their respective sports and we wish you all the best for your Capricornia trials over the next few weeks.
