We are now heading towards the end of Term 1 for TCC Sports. We have already achieved some outstanding results with premierships for our Junior T20 Cricket team, the Junior A Girl's Basketball and Senior A Girl's basketball teams. Congratulations to all students and coaching staff involved with these teams. We also have a number of teams competing in finals over the next week or two in Girl's Basketball, Boy's and Girl's Rugby Union and Waterpolo. We wish them the all the best of luck.

Sports being offered next Term include Girl's Rugby League, Boy's Basketball, Girl's and Boy's AFL, Boy's Football and Netball. Students are reminded to constantly monitor the daily notices and their emails for important information regarding the nomination processes for these sports. Teams will only be nominated based on student's responses to the expressions of interest advertised or the attendance at trials.
