

Behaviour Expectations

The Cathedral College is committed to providing quality educational experiences in a safe, supportive and disciplined learning environment.

The management of student behaviour at the College is the responsibility of all staff. Students are called to account for their behaviour in a fair and consistent manner with the intention that they develop their own self-discipline strategies as they mature and grow. It is important that staff, students and parents have the same understanding of the importance of appropriate student behaviour.

At the Cathedral College the following conditions are to be respected:

the right to

the right to
*teach***
