2024 Representative School Sport

Calendars and information regarding dates and venues for RDS sporting trials for 2024 are currently being finalised as well as updated digital permission booklets. Please note that next year's nomination process and consent forms will follow the same format as this year.

The representative school sport permission details booklet (consent form) will again have all the required documentation that schools / district / regions need for your child to participate in trials. Please note that the form only needs to be filled in once per sport / trial. Completed forms will need to be handed in by your child at the first trial, and this will then be passed on by officials through the various levels of school sport.

Once the booklet is completed, please email it to sport@tccr.com.au and it will be returned to you after signatures are completed. We encourage you where possible to fill the form out electronically to assist with eligibility and accuracy of the documents. If you have any further queries or concerns please do not hesitate to contact the sports department.

Links to next year's booklets and also trial and nomination information for each sport is currently in the process of being updated on the school's website.
