

## The Cathedral College - Boarding

### Activity Money

To cover the cost of your child's Boarding activities, we recommend that each family leaves a suitable amount of money with staff at the beginning of each Semester. This money may be topped up by parents/care givers at any time.

Money will be given to your child for things such as phone calls, Boarding weekend activities and payment of sporting fees. Normally, money is not given for general shopping or buying of snack food. However, if parents/care givers wish this to happen, please phone the Boarding Office.
