

## WHAT TEACHING AT TCC CAN MEAN FOR YOUR CAREER

Teachers who work at The Cathedral College will be:

- Part of a wonderful environment that is safe, structured, supportive and caring.
- A member of a community where your spirituality is nurtured and encouraged. You don't have to be Catholic to teach at our College.
- Part of a team that works together, with focus to achieve common goals for the benefit of our students.
- In contact with a fantastic group of young people – our students – who are keen to learn and respectful. Nearly 200 of our students are boarders and this adds a diversity to our learning community.
- Well supported and resourced. Our teachers believe that we need to support each other and this flows through to our leadership. Our College is a contemporary campus where our students and our teachers are given every opportunity to learn and teach in a modern, well-equipped environment.
- Given additional opportunities for growth and leadership. Working in a provincial city can afford teachers the chance for early advancement and a wide range of experiences.
- Supported with plenty of opportunities for Professional Development.
